### **Taking it home for community...**

1. Discuss the biblical concept of “judgment day.” What are some common myths people believe (i.e. things that aren't true...or at least not explicitly biblical)? Besides the Bible, where do you think people get their ideas about judgment day?
2. Some theologians propose 2 separate judgment days – one for believers (see 2 Corinthians 5:10), another for all the rest (Revelation 20:11 ff.). How will believers' judgment be different from that of unbelievers?
3. Read Revelation 20:10-15 (be sure and begin with verse 10!). How is “torment” different than “torture?” What does this indicate about (a) God, (b) humans, and (c) what Hell will be like?
4. Jesus talked a lot about judgment and Hell (see Matthew 12:36, Matthew 25:41, 46, etc. Do you think we (modern Christians, preachers, etc.) talk enough about Hell? How should we talk about the potential negative future eternity? How should we NOT?
5. SO WHAT? See Philippians 4:3. What does this imply about whose names are in the book of life? What should we do to make sure our name is there?
